62nd Wyoming Legislature ★ 2014 Budget Session

HB0122, Cigarette certification.

Sponsors: Representative(s) Greear and Semlek and Senator(s) Emerich

Comments

Moves certain functions related to cigarette manufacturing and sale from the state fire marshal to the department of revenue. The department has an incentive to raise funds the fire marshal does not have, which makes this bill a dubious proposition. But liberty neutral.

N: No significant fiscal or personnel impact. Basically simplifies the hierarchy of responsibility and makes the process and flow of authority more logical.

Weighted Rating: 0.00. Unweighted Rating: 0.00.
