62<sup>nd</sup> Wyoming Legislature ★ 2014 Budget Session

## **HB0132, Sales and use tax distributions.**

Sponsors: Representative(s) Petroff

### **Comments**

Increases the amount of sales and use tax that goes to the towns, cities and counties, and reduces the general fund's cut. No doubt the local governments can spend the money more wisely than the state. On the other tentacle, those who spend the money (with the accompanying kudos from the public) should be the ones to raise it (which the accompanying opprobrium).
