Comments

Reserves fifteen antelope licenses for blind or wheelchair bound. A mom and apple pie bill.

U: The fiscal or personnel impact is not determinable. This bill earmarks 30% of the antelope permits allocated for disabled individuals to persons who are either blind or wheelchair bound. This bill touches on a mixed bag of issues to include, but not limited to, fairness on several levels and empathy for the disabled. However, since the number of permits at issue is so small compared to the total of antelope permits available, we'll just call this one Liberty neutral.
