62nd Wyoming Legislature ★ 2014 Budget Session

HB0142, Firefighter collective bargaining-nonbinding arbitration.

Sponsors: Representative(s) Nicholas, B., Greear, Harvey, Madden, Stubson and Zwonitzer, Dv. and Senator(s) Nicholas, P. and Ross

Comments

Makes arbitration with the firefighters union non-binding on the government body, but not on the union. Aren't most arbitrations binding?

N: No fiscal or personnel impact. This bill is pretty lopsided. When firefighter collective bargaining has to be submitted to arbitration, it is nonbinding on the government! If arbitration is nonbinding on one side, it should be nonbinding on the other!
