62<sup>nd</sup> Wyoming Legislature ★ 2014 Budget Session

## **HB0149, Correctional industries.**

Sponsors: Representative(s) Burkhart

### **Comments**

Clarifies rules (including adherence to federal Justice Department rules) surrounding prison industries.

U: The fiscal or personnel impact is not determinable. This bill provides for adherence to federal program standards for prison industry programs and provides for limitations of competition by prison industry programs. Prison industry, at its worst, is called slave labor and is something that every free society must be aware of. This bill is designed to help keep prison industries from sliding down that particular slope and poisoning any free society that it must operate in.

Weighted Rating: 0.50. Unweighted Rating: 0.50.
