62nd Wyoming Legislature ★ 2014 Budget Session

HB0153, Special nonresident hunting license draw.

Sponsors: Representative(s) Krone

Comments

Increases the percentage of deer, antelope and elk licenses for non-residents. Do I smell a F&G money grab? But liberty neutral.

R+: This will bring about \$250,000 per year into the G&F Department coffers. Currently, the quota available to nonresidents for big game licenses are split 40/60% for special versus regular draw, this bill would change that distribution to 60/40%. As a classification change this does not appear to have any Liberty impact.

Weighted Rating: 0.00. Unweighted Rating: 0.00.
