62<sup>nd</sup> Wyoming Legislature ★ 2014 Budget Session

## **HB0166, Federal health care reform-prohibition.**

Sponsors: Representative(s) Baker, Jaggi, Kroeker and Reeder and Senator(s) Meier

### **Comments**

Prohibits implementation by any government agency of the Affordable Care Act (ACA). Great idea!

U: The fiscal or personnel impact is not determinable. My God, a full-throated effort to defend state's rights under the Constitution of the United States! Healthcare is a commendable heart-throb topic that is an ideal Trojan Horse for the national leviathan to use in order to emasculate the states while leaving them extant to provide a republican fig leaf to the national government as a propagandistic pro forma curtsy to the Constitution of the United States. Any effort to keep the national government inside the limits of its Constitutional authority is Liberty enhancing!

Weighted Rating: 2.50. Unweighted Rating: 1.00.
