## **HB0170, State agricultural fuel tax refund.**

Sponsors: Representative(s) Moniz and Harshman and Senator(s) Bebout and Meier

### **Comments**

Relaxes the documentation requirement for refunds of gasoline taxes where the tax is charged but doesn't actually apply. Less bureaucracy and red tape, and better privacy. Good idea.

U: The fiscal or personnel impact is not determinable. This bill provides that the department of transportation shall provide for alternative documentation other than federal tax forms to receive a state agricultural fuel tax refund. This hopefully will make filing for this credit less onerous.
