### **Comments**

Let me see.... we should repeal something because it is inconvenient for the bureaucrats? Especially something that would reward prisoners for good behavior? Let the prisoners earn a bit of money in preparation for release. It's hard enough to get a job without a record. Shall we make it even harder for those with a record?

N: No significant fiscal or personnel impact. This bill repeals archaic language. There are no direct or significant impacts to Liberty.

Weighted Rating: -0.50. Unweighted Rating: -0.50.
