Comments

Requires the state building commission to apopt a formula for major building and facility repair and replacement for community college facilities. I don't see how this can affect liberty one way or another.

N: No significant fiscal or personnel impact. This bill adds to the size of the Wyoming code and may either save tax dollars or cause them to be used more efficiently—we'll have to wait and see how it pans out. There are no obvious direct or significant impacts to Liberty.

Weighted Rating: 0.00. Unweighted Rating: 0.00.
