62<sup>nd</sup> Wyoming Legislature ★ 2014 Budget Session

## **SF0049, Death penalty-execution.**

Sponsors: Senator(s) Burns

### **Comments**

Allows for execution by firing squad rather than gas chamber if for some reason lethal injection is unavailable. Wyoming has no gas chamber, and the drugs for lethal injection are getting harder to get as vendors stop making them or stop selling them for the purpose. Who knows, maybe the image of a firing squad would deter a jury from convicting. None the less, liberty neutral.
