### **Comments**

Creates a process for memoranda of understanding (MoUs) between the state and the counties to provide public health nurses. It also calls on the Wyoming County Commissioners Association to set up a task force to explore how this shall be done. Shouldn't you have the task force first, then the legislation? Appropriates \$500,000 for implementing the MoUs.

Weighted Rating: -1.00. Unweighted Rating: -1.00.
