62nd Wyoming Legislature ★ 2014 Budget Session

SF0065, Substance abuse grant program.

Sponsors: Senator(s) Peterson and Representative(s) Goggles

Comments

A grant program to fund substance abuse clinics, this time from the general fund. As with HB 55, it is bad enough to be hectored, but to force a man to pay for that hectoring is much worse. Let the do-gooders raise funds via voluntary mechanisms.
