62<sup>nd</sup> Wyoming Legislature ★ 2014 Budget Session

## **SF0102, State high school sports-playoffs.**

Sponsors: Senator(s) Peterson and Representative(s) Harshman

### **Comments**

Tells the school districts to set standards for high school sports venues, or join appropriate organizations that have such standards. It's a good idea to have standards, but is this more legislative micromanagement?

Weighted Rating: 0.00. Unweighted Rating: 0.00.
